### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: An insert for a clamping device, the insert comprising a first end and a second end; external clamping threads adapted to be rotatably connected to the clamping device to adjust the position of the insert in relation to the clamping device; a plurality of planar receptors positioned within the insert to define a pass through opening in the insert, wherein each planar receptor is positioned within a separate plane a first stop connected to the second end and adapted to limit the movement of the insert in relation to the game; and a second stop connected to the second end and adapted to limit the movement of the insert in relation to the game.

2. The insert in the clamp and individually have multiple or two stops when in combination with the other limitations render the claim patentable over the prior art

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
